

## The 10th Asian Conference on Electrochemical Power Sources 2019

Kaohsiung Exhibition Center  
November 24-27, 2019

### Welcome Message

The 10th event of the ACEPS series, a prestigious and renowned arena for Electrochemical Power Sources researches, will take place at the Kaohsiung Exhibition Center, Kaohsiung, Taiwan, on Nov. 24–27, 2019. It is our great pleasure to invite you to attend ACEPS10 and visit Kaohsiung, a tropical, coastal port city with pleasant climate and abundant landscapes.

### Program Topics

- Topic 1 Basic Electrochemistry
- Topic 2 Battery
- Topic 3 Capacitors & Fast Charging Devices
- Topic 4 Fuel Cell
- Topic 5 Solar Cell & Photoelectrochemical Device

### Important Dates

- Online Registration Open: July 01, 2019
- Acceptance Notification: August 15, 2019
- Early Bird Registration Deadline: September 06, 2019
- Online Registration Deadline: October 06, 2019

Please visit our website for further info
