

# 2024 Winter Workshop of the **Battery** Division

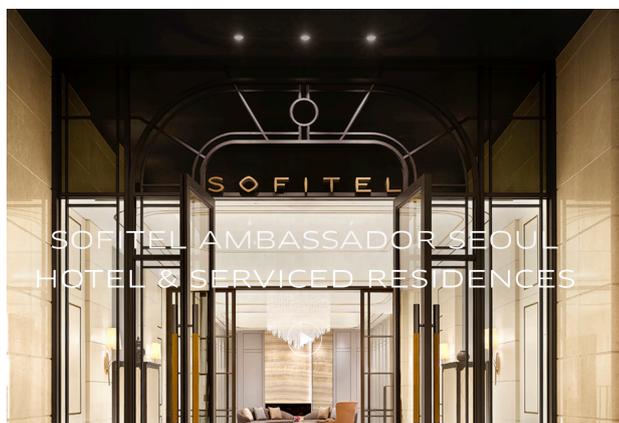

**Organized by The Korean Electrochemical Society  
Battery Division**

**Sofitel Ambassador Seoul, Korea  
January 25–26, 2024**

## About Workshop

The 2024 Winter Workshop of the Battery Division, the Korean Electrochemical Society, will be held from January 25 to 26 in Seoul, Korea. This workshop is intended to bring together battery scientists and engineers to exchange their ideas on: (1) Strengthening the research cooperation among academia, national labs, and industry and; (2) Research direction for advanced Li-ion batteries and next-generation batteries, such as all-solid-state, Li-metal, Li-S, and metal-air batteries. Furthermore, it will provide an opportunity for division members to have friendly networking.

## Venue
